BALTIC SHIPPING COMPANY A/S

Our today fleet exists of 13 coasters in sizes from 1550-3850 dwt. Our fleet are modern box tonnage, which are able to carry all kinds of cargoes and have good cubic capacity for volume cargoes.

Part of our fleet are container fitted for carrying of 20' & 40' feet containers and at the same time fitted for easy lashing. Our crew onboard are able to do lashing & securing as well as welding of project cargoes including chains/stoppers/belt and other kinds of materials. Part of our fleet have 1-2 moveable bulk-heads for separation of bulk and/or project cargoes. Part of our fleet are as well shallow drafted and fitted for the fjords and inland transport on the European waterways.

Our vessels ensure economic shipping because of their flexibility, capacity and modest fuel consumption. We can always provide you with the right ship for any kind of your cargoes. Please look at the technical information of the vessels on the next pages.

We are proud of all our vessels sailing under the Baltic Shipping Company flag. All vessels are fitted with good crew and experienced European captains for all the European waterways & shallow drafted areas.

Your safe and reliable partner

We believe in trading our vessels in Baltic Sea & do our Upmost to transport cargoes from A-B in the most safe & economic way.

All vessels are living up to the highest standards and are all eco-friendly to the environment.

Furthermore all vessels are equipped with AIS system so all clients are able to follow the vessels when carrying their cargo onboard.

WELCOME ONBOARD!
